Library Visit 5/16/2025

Today during my library visit, I spoken to Christian Broadcasting Network (CBN) pledge express department. I have informed to disregard any further donations from bank account ending 0495, from Discover Bank. The reason for this decision is because they keep coming back as “Account Frozen” being the returned reason. I have also submitted FOIA request to the George W Bush Presidential Library, in regards to obtaining more information about the Check clearing in the 21st century Act, also known as Check 21 Act. Obtaining this information from the George W Bush Presidential Library, would help me fully gain understanding of Regulation CC, through primary source documentation. Not just secondary source information from conducting internet research.
